

SUPER COACH CLEAN

Product Code: CASCC

DESCRIPTION

The very latest technology in commercial vehicle washing shampoos. This remarkable product not only produces an economical high quality clean through any automatic vehicle wash machine, its unique ingredients also enable the rinse water to plate off vehicles in one sheet like effect, leaving behind a shiny streak free finish.

DIRECTIONS

This product should be calibrated through a chemical pump at approximately 0.5-1% solution at final point of application to give the required result.
