DATE OF ISSUE JULY 1995.

CONCENTRATED LUVLY BUBBLY AIR FRESHENER

Product Code: JALBAF

DESCRIPTION

A special concentrated deodorant for use on dustbins, waste heaps, sewage and similar areas, where odour is a problem. Uses a potent blend of essential oils, designed to absorb and cover mal odours from a wide variety of sources. This product is not a disinfectant and should not be used when sterilisation is required.

DIRECTIONS

Toilets, Urinals

Add a few ccs to cistern.

Refuse Heaps

Use two parts in one hundred parts of water and spray the source area.

Bins etc.

Rinse with a 2% solution to keep sweet.

Sewage

Use about two parts per million by drip feed.

Cleaning

1% may be added to most cleaning solutions to give a powerful, extra deodorising effect. Useful for carpet and fabrics or any surface for which extra deodorisation is required.

Offal Dumps

Spray with neat material.

If spraying, use a coarse spray and avoid inhaling the droplets directly.

(CAUTION - If spilled neat product may stain clothing etc.)

HEALTH & SAFETY

This product is not classified as dangerous.

S24/25 Avoid contact with skin and eyes.

Store in a cool, dry place protected from frost and away from acids and strong oxidising agents.

S2 Keep out of reach of children.
