Revision Date: 01-03-98

DIAMOND FLOOR

Product Code:

Description

High quality water-based emulsion, providing a tough, hard wearing coating with outstanding water and detergent resistance.

Resistant to slipping, scuffing and easily maintained.

Directions

Remove existing polish with a polish stripping product, rinse and dry. Apply 2-3 coats using a damp mop or lambswool applicator. Allow to dry between coats. Apply evenly and finish off with straight strokes in one direction – allow to dry naturally.

Health and safety

Not classified in accordance with CHIP Regulations.
